AUTOBIOGRAPHY OF BERTHA DUDDE.

At the request of many friends Bertha Dudde wrote the following biography in 1953:

I have been writing messages, received through the inner Word since June 15, 1937. In answer to the many requests of my friends I will give you a picture of my earthly life, a short explanation of what I received spiritually, and my own feelings about all this.

I was born April 1, 1891, the second oldest daughter of an artist of Liegnitz in Schlesien, today's Poland I had a normally peaceful childhood, with six sisters in our parent home. I learned the cares of life at an early age. The desire to make money to help my parents made me learn the trade of a seamstress. As the financial needs of my parents continued, so the burden, and in this way I made myself useful.

My parents belonged to different denominations. Father was a Protestant -Mother a Catholic. We children were brought up in the Catholic faith, but never experienced pressure or force to follow the practices of the church so that each child in later years could pursue their own chosen course.

I myself was religious, but could not accept the doctrine of the Catholic system, although I respected the church. I could not represent something on the outside that my inner conscience had not accepted. So I did not continue to attend church, heard little preaching and had no knowledge of the Bible. I did not read any religious books or scientific literature and did not join any other group or religious sect.

Anyone knowing the Catholic teaching knows what a conscious struggle one finds himself in when he wants to loosen himself from it. I also was not spared from this. But the question as to what is the Truth, and where it is to be found, remained.

Often when I prayed the Lord's prayer I would beseech the Lord to allow me to find HIS kingdom. This prayer was answered in June 15, 1937, as I prayed quietly and waited on the inner voice. In this attitude I persisted often, for a wonderful peace came over me and thoughts which came to my heart, not my head, gave me comfort and strength.

Still I did not know that these thoughts were given to me, until in a strange dream I experienced something, which later proved to be the Truth and caused me to write down these thoughts.

So on a certain day as I listened inwardly a stream of words came to me, which I wrote down. This was the first message I wrote which started like this: **"In the beginning was the Word, 'a TE-DEUM' to the Creafor of Heaven and Earth."**

Then came doubt,did you write this by yourself? In short, I have wrestled, prayed and gone through many struggles, but again and again the words came to me like a stream, a wisdom, which made me tremble. Then GOD HIMSELF took away my doubts. HE answered me and I acknowledged HIM as our Father, in HIS Word. My faith grew, doubt diminished, and I received and wrote daily.

The contents of the writings were beyond my understanding. Phrases, which I had never heard of, or read about, strange and scientific expressions and references continually came to me. Then came unheard of expressions of the Heavenly Father's Love giving refuge and providing enlightenment to all the questions of life.

The "Words" came to me in the following manner: After sincere prayer and a short period of composure I listened inwardly. Thoughts then followed coming to my mind, clearly, distinctly, and the words flowed smoothly always three or four, one after another, like writing a radio announcement or a weather report, slowly so that I could easily keep pace, writing line after line.

Now, I write the words in shorthand as a dictation without having any constructive or intellectual part in it. I am in no way in a 'trance', nor do I even form the sentences, but it comes to me one word at a time, neither do I understand the context while I am writing the words down.

After days, sometimes weeks, I transcribe the shorthand writings into longhand without changing or correcting a syllable. Each dictation takes about half an hour. I must stress that this could not happen forcibly or in a state of ecstasy. It all takes place simply and consciously, without any excitement or influence of my own will. I can interrupt myself at any time and finish the sentence after hours or days without reading the previous writing the dictated words continue again.

My will is under no compulsion, all that I desire is to serve GOD and do what HIS Will wants me to do.

I can truthfully say that I was led into this Truth, and these concepts were, in all respect foreign to me. It was only after years that I found confirmation of what I received, when I came to know the writings of Jacob Lorber. No one can imagine my joy when I discovered the literature of Jacob Lorber; "The Great Gospel of John" and the "Youth of CHRIST" Then I understood that other people were given the Word of the Lord, that GOD had spoken to HIS children at all times and that GOD will continue to do this in HIS endless Love and Mercy.

I found in Lorber's writings the same as was given to me. I often could not understand the word that came to me, but in HIS Love the Heavenly Father gave me the explanation. How wonderful are the innumerable manifestations in which the Father displays HIS exceeding great goodness.

It became clear to me that my short education, due to lack of money and my lack of time to read good books or visit performances, became my advantage. I could now concentrate on my work from early morning to late at night, and each day I received that precious spiritual Word without knowing for whom I received it.

It is because of my ignorance of the Bible and the Catholic doctrine that I accepted the Word from Above without resistance. In my experience an earnest Catholic or Protestant whose knowledge is rooted in dogmatic theories is too much bound to their dogma to accept and embrace Divine revelations without resistance.

Still there are scientists at several faculties who earnestly discuss these Divine teachings with increasing interest. Their interest does not only concern the irrefutable explanation of the origin of matter and the possibility of its dissolution, but also the principle of the wrong teachings of different religions, systems and confessions. In the messages I received these errors are recorded and everyone is urged to give instructions concerning these doctrinal errors whenever there is an opportunity.

But everyone is free to take the LORD's Word to heart or not. But whoever understands the spirit in the Father's Word and does not act accordingly makes the distance between himself and the Father even greater. When he does not follow the warning words of Love he puts himself inevitably under the law. He will also in the same measure lack in Grace, disregarding GOD's commandment of Love.

In GOD's Grace people are led anew to the gospel, which emphatically points out the purpose of man's being. For the merciful Love of GOD seeks to save all who still can be saved before the turning point comes. And it will come. The end-time of which seers and prophets have proclaimed is now here. According to the revelations given to me, the LORD does not differentiate between HIS children. "Come ye all to ME" sounds HIS call and blessed is he who hears HIS call and follows HIM. GOD Loves HIS children. HE wants to make them all happy, even when they do not want to know HIM.

World conflagration.... Natural disaster.... Decision....

Nothing will remain hidden from you, who have offered to be of service to Me, for the final events will be so huge that you cannot be left in the dark about them, and especially if I want to speak through you to all people.... Hence you also ought to know that it will only require a modest impact to trigger a catastrophe which at first can be seen from a purely worldly point of view, but which is the signal for the subsequent natural disaster, although it will certainly not be started by human will it is nevertheless the consequence of human will in as much as it will start a world conflagration that cannot be stopped by anything other than My will. And since humankind only ever pays attention to world events something has to happen which is inexplicable to them.... the gaze of worldly people has to be visibly directed towards My intervention, and all human intentions must take second place in view of the discovery that something is taking place in the universe which could ultimately affect every human being....

Thus, people must learn to fear **God** and not their human enemies.... And although it is up to every individual to believe in a God or not, the said cosmic event is nevertheless greater and more life-threatening than the world conflagration which then will recede into the background. For then people's spiritual attitude towards the Creator and Provider of all things will decide whether and how the natural disaster will take effect.... Whether you believe it or not, this event is approaching you with giant strides, and only a short period of time is separating you from it. And you who know this should make every one of your fellow human beings aware of what lies ahead of him, even if you will find no credence, but the events will confirm it....

For the end, too, is coming ever closer.... This natural disaster is just a last sign of it, but who will still allow himself to be influenced by it? People will only just see it as a natural disaster and not be able to recognise any connection with humanity's spiritual state.... apart from the few who are spiritually awake but unable to get through and thus warn people in vain of the final end which they are inevitably approaching. Don't let the signs of the times pass you by unnoticed for they are cautioning all of you that you are living in the last days, and remember that you only have a little time left in which you will have to decide whether you want to take the path to Me, Who can and will save you in all adversity.... or whether you want to strive towards the adversary again who wants to ruin you for an endless time.

For the sake of your freedom of will you cannot be informed of the day and the hour, but I can always tell you quite simply and with certainty that there is not much time left to you. Yet worldly events will affect you all, and thus you take little notice of what **I** say to you.... And it will befall you with tremendous force so that you won't know how to protect yourselves.... But let Me tell you that only I Myself will be able to offer you protection, that you have to take refuge in Me in order to be led through all dangers to body and soul. And even if you humans learn nothing else but the fact that a higher Authority is at work then you will benefit from it by calling upon this higher Authority or you will be hopelessly lost, for My adversary will use all his power just once more in order to get his hands on you. And anyone who does not decide in favour of Me anymore in the short time until the end will then also be bound in matter, and he will have to take an infinitely long path through the creations of the new earth once more.... Amen

Time of trouble....

Very soon you will be subject to further hardship, you will experience adversities which will almost seem to crush you; but then you should know that I will be closer to you than ever. Hand yourselves over to My guidance completely and remain true to Me in your hearts, so that you will recognise and profess Me in spite of all the hardship, then I will truly not leave you and you can utterly believe My Word. Nevertheless, the adversity must happen so that what is written will come true, so that the time of immense affliction is apparent to every person and can also be recognised as the last stage before the end.... The world does not want to regulate the earthly situation amicably, instead, it incites renewed struggles and wars between the nations, thus global events will enter into a new phase for a short period of time. The renewed tension between the nations will result in immense earthly adversity which My will shall bring to an end when the time is right. Yet you, My Own, need not fear this time of adversity, although it will affect you as well in various ways. For you it only signifies a test of faith again which you can pass if you join Me more firmly than ever and confidently hand yourselves over to My guidance and help. That which will happen very shortly will prove My Word to you, and then you should only abide by Me and I will help you in every adversity and danger. For everything can be overcome with My help, nothing is impossible for My strength and power, and no prayer will be left unanswered if you believe in Me and call upon Me from the bottom of your heart. You humans must live through this short phase so that your soul will derive benefit from it, and although it will be brought to a halt through My intervention it will be followed by a different tribulation. It is the time of adversity before the end and good for him who recognises it as the time of the end He will draw comfort and hope from every one of My Words, he will not despair but unite with Me in even more sincerity than ever and endure all earthly adversities and dangers without harm to his soul because I Myself will take him by his hand and guide him, and provide him with strength and light.... Amen

Death of a worldly ruler.... Turn of events....

When you hear of the death of a worldly ruler you have arrived at the point you can call the beginning of the end. Then the world will turn into a place of fire, flames will blaze high, unbridled hatred will rage and humanity will be gripped by horror as it sees no escape from the inevitable peril.

And then I will urge you to speak, for whilst everything is in uproar great calm will take hold of you as you clearly realise that the time of My appearance is drawing near, and thus you proclaim it to those who will listen to you. People see themselves surrounded by enemies on all fronts and are therefore without hope for a peaceful solution. Hence those without faith in the only One Who can help will suffer immense fear.

Consequently they will only focus on world events.... People will anxiously attempt to provide for themselves as they see the approach of great earthly hardship; they will anxiously try to secure worldly goods and prepare for escape even though it seems hopeless to them. Only the faithful remain calm, and then I will use these to encourage their distraught fellow human beings who despair in their unbelief. I attempt to bring Myself close to them once more, I let My servants talk to them and through them I Myself speak words of love and encouragement. I warn them against escape and not just to consider their physical well being; I demonstrate the futility of their intentions and admonish them to persevere and put their fate in My hands; and thus everything takes its course....

The fire is kindled and people will not extinguish it anymore, I will put it out Myself by opposing it with other elements, by confronting those Myself who want to tear each other apart.... And My voice will sound from above.... The earth will experience a natural disaster which will tear the fighters apart; they will be faced by a power which neither can match.... The process will only take hours but it will create a completely new situation in the world, totally changed conditions and an initially uncontrollable chaos, utmost earthly hardship and unspeakable grief and adversity amongst people.

Yet you all must endure this, for the end is approaching and many opportunities for purification still need to be created since all people have a shorter lifespan now and need to mature in the shortest possible time.... The end is near and as soon as this point is reached you also can, without doubt, soon expect the last day and the Last Judgment, so that may be fulfilled what has been proclaimed in Word and Scripture.... Amen

Prediction.... Apparent burying of the hatchet.... Last phase....

World affairs are determined by higher laws, even though human will plays a large part in it. The eternal Lawgiver Himself directs and rules everything and His eternal plan takes the consequences of human will into account. And thus the hatchet will apparently be buried but the fire is not yet extinguished, it continues to smoulder, only to suddenly flare into a mighty blaze with devastating effects.

And it will come to pass what was foretold by the voice of the spirit. A new chapter of life is dawning for humanity, and good for those who do not regard earthly life too highly, good for those who have recognised the world of appearances and are not its slaves; good for those who know the meaning and purpose of life, who have set themselves a higher goal than the mere fulfilment of worldly lusts and pleasures.... They will take up the struggle for existence which the ensuing time entails.... They will be and remain victorious.

Humanity will enter into a new phase, a difficult struggle will arise for the individual, he will have to endure severe worldly adversities and will spiritually survive the greatest battle, the final conflict of faith, which will precede the last days. This will irrevocably come to pass as it is told, because time has run out, and the spiritual low level dictates a halt. Judgment day will stop the development of all spiritual substance on earth in order to enable its continuation on the new earth.

Humanity will soon enter this last phase, and the well-informed, the spiritually knowledgeable person will recognise its beginning by the progress of world events. Because world events first have to take their course, the fire has to be aroused anew for hardship to reach its highest pitch in order to justify God's intervention.... in order for God Himself to rebuke the fighters by seizing their weapons from their hands and causing an immense disaster to come upon all, so that all people will turn their eyes towards the nations where God has clearly spoken. Because He will identify Himself, He will speak a language which can be understood by everyone who wants to understand. He will also reveal Himself to the believers, He will be with people in spirit, He will be working with them and give strength to those who are full of faith. For they will need His presence, they will need His help, because the time of hardship will affect them too and the fight against all believers will intensify as the end draws near.

The last phase will only be of brief duration but it will be a great burden to people and only bearable with God's help. Yet everyone who lives in and with God, who loves Him and keeps His commandments, will survive the battle because he will never be alone. He will sense God's presence and always be able to draw strength from His Word, which He, in His love, will convey to the people so that they remain faithful to God and persevere to the end.... Amen

Announcement of the catastrophe....

I convey a proclamation to you which is extremely important. You must prepare yourselves for the forthcoming turn of events, for soon I will visibly appear. The time given to you is coming to an end and My Word will fulfil itself, to the joy of a few and the horror of many people who have recognised and shall again recognise Me when I express Myself and demonstrate My will and My power. You are at the final stage in order to then take a path full of deprivations and tribulation, for this is needed for people who shall experience My power in order to reach out and grasp My helping hand. My last teaching method seems to be relentless and cruel to people and yet it is only based on My love, for countless souls will go astray without this final means and I still want to gain a few by using it. Recognise My love in the fact that I have announced and persistently continue to announce the forthcoming event to you in order to make you believe, if you don't want to believe it beforehand....

You will all have to experience fearful hours and the survivors must endure most difficult conditions which seem insufferable to them. Yet I promise My strength and help to all who call upon Me in spirit and in truth. I will not take notice of lip prayers but only of the call that rises up to Me from the bottom of your heart.... This will be granted, and every adversity will be lessened and thus become tolerable for people who believe in Me.... News will reach you about worldly plans and measures yet they shall be shattered by My will, you will hear about new danger but should know that a different danger is approaching and that you need not fear the former and should only direct your attention to Me and My kingdom and that you must join Me ever more closely in order to receive more strength for the hours of greatest need.... I say this to you because My love wants to prepare you for that which is inevitable and will happen according to My eternal plan, because you still require much strength and have to receive it through a sincere will, heartfelt prayer and activity of love. Only take care of your souls and let go of all earthly worries, come to Me in every adversity and difficulty so that you will never distance yourselves from Me, so that you will constantly stay in contact with Me and then also feel My presence when I speak to you humans from above with a voice of thunder.... so that you will not be afraid of Me but appeal to Me as your Father of eternity for His protection, which He will surely grant you.... Amen

Catastrophe.... Prediction....

Undivided attention is necessary in order to be able to receive the following proclamation: Divine Wisdom has intended an event the effects of which will be dreadful. A disaster shall develop in the very near future which can neither be prevented nor diminished by way of earthly efforts. Countless spiritual beings will move into action and, on behalf of divine instruction, turn the interior of the earth into upheaval, the earth will split open and masses of water will burst through; an act of destruction of catastrophic proportions will take place which will bring indescribable misery upon the people who will be affected by it. And this will happen very soon.... For you humans will only deem yourselves powerful and safe from all danger for a little time longer; you only observe world events around yourselves and feel secure and out of danger.... yet you forget that there is a Power in charge of everything in, on and above the earth.

And since you forget the One Who reigns in accordance with His will, He shall speak to you through the forces of nature and you will have to listen to Him, for you will be unable to escape His voice. You pay no attention to instructions from above, suffering on earth doesn't change your thinking, yet you will be unable to drown out the divine voice since it is stronger than all the noise in the world. And therefore it is proclaimed to you in advance, so that you will recognise the Lord when His voice resounds.... Admittedly, the world does not want to hear anything about it, it will try to control the great adversity with purely earthly means and constantly negate divine activity. And many will agree with this opinion and thus only see the misery but do not recognise the divine will which, for the sake of humanity's improvement, will expose whole stretches of land to destruction. And this time it will announce itself by the fact that a country will be affected by an unmerited pestilence which will subsequently get this country into very serious difficulties, and since no earthly help will seem possible anymore God Himself will step into action and instruct the elements of nature to intervene in earthly measures.

And whoever deemed himself great before will become small, for he will need all his resources in order to rebuild what was destroyed. People will be needed for the reconstruction of his own country which, having previously flourished, will be desolate and bare and require many workers. And this is the time when people will reflect on different questions than before. For anyone who survives this time will truly enjoy God's favour.... He has testified to being united with the Lord.... in greatest distress he had sent his thoughts to the Father in heaven, and the Father answered the prayer of a human being who had recognised and found Him in most severe adversity. After all, He only sends severe suffering upon humanity so that it shall find its faith in God again.... And thus He will also have to forcibly raise the utterly destroyed faith again by demonstrating His omnipotence to people and showing the world that He is Lord over heaven and earth.... Amen

... through which God Himself will end the struggle between the nations...

B.D. 1418

Divine intervention.... Prediction....

It is a futile battle which the people of the world are waging against each other, for it will not result in a satisfactory outcome. The Lord of heaven and of earth has decided that this shall be concluded in a different way to that which the world is hoping for. But this end will be indescribable. The battle noise will be drowned out by God's voice resounding from above.... It will cause tremendous confusion amongst people since no human command will be able to stop it, and people will be powerless and will have to submit to everything that is sent to them by the Lord. And then it will be left up to each individual person to recognise the hand of God and submit to it or revolt against his personal fate. For it is intended that people's thoughts shall be forcibly directed towards God, and blessed is he who finds this path and recognises God as the Originator of all happenings and commends himself to Him and His mercy.

Yet there will only be a few, for people are spiritually deluded, their modern explanations have made them lose faith in a Being Which determines everything on earth, and their lofty attitude makes it difficult for them to find the way back to God, and this spiritual arrogance will be their downfall. Only someone who feels small and powerless and calls upon God for help will keep his life, even if he will physically lose it.... Yet anyone who believes they do not need God's help will forfeit his mortal and spiritual life.... And even if God allows him to keep his earthly life, it will only be an act of greatest mercy so that he shall still gain realisation on earth after all.... For the Lord knows the hearts of people, He looks into the furthest corners, He recognises every stirring and will not let anything perish that can still be saved. And anyone who calls upon the Lord for help within the midst of terror will feel a wonderful calm enter his heart, he will suddenly realise the worthlessness of earthly life if it is not accompanied by profound faith, and this realisation will let him willingly surrender what previously appeared desirable to him.

He will readily submit himself to the Lord and accept what he receives from His hand.... life or death.... However, he will only surrender his body in order to awaken to life in the beyond. And thus his departure from the world will not be his ruin but his resurrection into a better life. Divine will puts everyone in their place, He takes a person from the world when the time for his end has come, and He returns to the world those whose earthly life is not over yet.... For nothing happens arbitrarily but everything is determined by God's wisdom and love. Yet if a person cannot recognise God's hand even then, his soul will suffer serious hardship, for it will have no other means of salvation.... It has infinitely extended its distance from God during its earthly existence and strives towards the state of banishment again; hence its life on earth is utterly pointless, since it does not recognise God. And for the sake of such souls God will let His powerful voice be heard.... But if this call also dies away unheard, the fate of these souls will only be eternal damnation.... Amen

B.D. 1842
8.3.1941

Confirmation of prophecies.... World events....

This is given to you as confirmation that everything will be fulfilled as God's spirit has revealed to you. The world does not believe that the decisive hour is close at hand, it believes that the time which the Lord had revealed on earth has not yet come, and therefore it will not face the event in nature well prepared. And for this reason the Lord repeatedly reminds people not to forget about Him. But God's spirit does not err and when it speaks every word should be believed and fearlessly passed on because the speaker uses the language of God. He only repeats His will. And those whom He selects have the right knowledge. They accept and reiterate what is His will. Their human thought is guided to perceive what corresponds to the truth. Their power of judgment is sharpened, their love for justice and truth protects them from erroneous thought and when they speak, every word corresponds to the truth. And thus take the following message:

Every world event is related to humanity's spiritual condition. Admittedly, the reasons are mere earthly disputes, and therefore its development and its effect are seen from a purely worldly point of view. However, that the world event is primarily the consequence of humanity's spiritual low level, so to speak, and simultaneously should be a means to elevate same is beyond the understanding of worldly minded people and therefore they don't want to believe it either, in spite of all the signs. Hence the event in nature will find them unprepared and they have no opportunity to protect themselves or to escape. Consequently it is foolish to ignore God's advice when it is offered to people. It is the divine Creator's will that the conflict, which presently involves half the world, shall remain undecided because human beings shall not obtain their presumed right by force of arms. God gave people the commandment to love each other and this commandment is no longer heeded. Humanity inflicts every imaginable evil on itself and therefore also has to be struck severely; God Himself has to take on this office of judge that they should recognise a Lord above themselves Who knows of every injustice. That is why you should not invalidate God's voice; you should not question the truthfulness and not determine for yourselves the moment when this prophesy shall be fulfilled.... The world is in serious trouble and can only be saved by this natural disaster which will follow immediately after the great decisive battle (offensive), which will indeed decide a tremendous struggle between nations but which lacks all noble causes and is merely a battle for power and importance.... And this battle will be stopped by a higher power, and it will come to pass as it is proclaimed.... Amen

Ending the struggle between the nations....

An immense conflict between the nations will find its end according to divine decree. This will by no means correspond to the nations' wishes; in fact, they will be horrified when they realise the outcome which entirely opposes their expectations. Yet human will is powerless wherever God expresses His will. And every day prior to this still signifies a gift for people if they use these days for the salvation of their soul by turning away from the world and towards God before God manifestly reveals Himself. People have already been affected by indescribably harsh suffering and yet it only brought a few closer to the Deity, for humanity pays no attention to that which is given to them by God but only to that which it is offered by the world.... Thus it does not make use of God's grace; instead it constantly tries to increase its earthly possessions. And even where people's belongings are destroyed they will only wholeheartedly strive to regain what they lost. And thus their struggle against each other becomes more and more bitter and can no longer be resolved in an earthly manner but has to be brought to an end by God if it is not to lead to a complete breakdown and utter godlessness.

For people lack faith in a just and wise God, otherwise they would already see by the world event to what extent humanity has distanced itself from God and why God permitted such a world event to take place. For God's will does not prevent people's will from accomplishing that which they precipitated by their heartlessness. However, the forthcoming event will raise great doubt about the existence of a Deity Which Itself destroys that which it created with Its Might.... But these doubts will only surface in people who do not act with love.... whereas the loving person will be enlightened and know that nothing can happen without God's will, thus he will recognise that God had sent the event.... And he will know that nothing will come upon the earth without purpose and reason and that everything can benefit the soul in some way or other. He, too, will be severely shocked by the scale of the event but he will also realise that the human race must be shaken out of its faithless existence so that it will take stock of itself and give its way of life a different direction in order to come closer to God. And blessed is he who will still derive a benefit for his soul from this forthcoming event, for he will lose nothing but only gain, even if his earthly possessions have been destroyed.... He will have found God through it and gained infinitely more than he had lost.... Amen

End of the world conflagration.... Establishing divine order....

It is impossible to restore worldly order again as long as people are full of hatred and envy, for these are God-opposing qualities which will have to destroy all order, since anything that is opposed to God is also in opposition to divine order. And this is a state of extreme heartlessness which will never manifest itself constructively but will always have a destructive effect. Understandably, a destructive state like that cannot go on indefinitely, and therefore God Himself will call a halt to it in a way which, admittedly, will also result in enormous disorder, but in which God's wisdom is nevertheless recognised as the only means to restore order again. Humanity itself will make no attempt to end a battle which causes suffering and boundless misery across the whole world. Consequently, it must be ended in a different way; nevertheless, it will not reduce the suffering on earth because it is needed by the human race. People must return to the old order, they must learn again to forego their neighbour's possessions, which they aspire to own and for which they fight with the most appalling weapons. Their addiction to earthly commodities will cause the world conflagration, which will be difficult to extinguish.... Yet people will not achieve any earthly gain, on the contrary, they will incur immense losses, the extent of which humanity has no knowledge of. For every victory will have been bought at the expense of indescribable losses, both in regards to material assets as well as to human life. However, humanity has become insensitive to such losses, it ignores what human will has caused, and thus, divine will itself shall intervene in order to forcibly initiate a change of world events.... because people's thinking can only be turned around when they feel that they are helpless, that a stronger Power than themselves takes the control out of their hands and utterly shatters their will. The spiritual darkness they are in is the cause of their heartless actions, whereas their heartlessness is the cause of darkness again.... They must realise in a flash that their thinking is wrong, that they are chasing after the wrong goals and that they will come to a deadlock if they don't return to divine order and radically change their way of life. The divine intervention is intended to cause this flash of realisation, even though they are still far removed from believing in a higher Power, Which controls their destiny.... Nevertheless, they can only attain faith through deliberation, and their thinking shall be stimulated when they see that everything turns out differently than it was humanly possible to foresee. The spiritual as well as earthly chaos conjured up by human determination would, without God's intervention, increase and lead to final destruction, because humanity no longer respects divine order, apart from a few who are devoted to God and strive to fulfil His will. But they do not arrest the process of development, they are merely the cause for intensified measures against divine order; and the time has come when humanity subjects itself to God's adversary and their thoughts and actions become increasingly uncaring. God's intervention will entail inexpressible suffering and destitution but it is the only option to lead people back to divine order and to change their spiritual state, although this will only be the case with a small amount of people. And therefore the time of the final annihilation of those who are inconvertible is coming ever closer, as is proclaimed in Word and Scripture.... Amen

God's intervention.... The end of the struggle....

The more the world becomes entangled in error the more it distances itself from God and the more heartless are the actions and thoughts of people who are worldly minded. And the increased unkindness also propels people into actions which surpass all previous happenings, and so people induce God's intervention themselves. People no longer realise that what they are doing is wrong. Global affairs will be steered into a direction for which no earthly solution can be found anymore, people's thinking is wrong and far removed from the truth, goodness will be persecuted and evil respected, and thus divine order will be revoked which is bound to result in a complete decline. And so the day which puts an end to the chaos comes ever closer, for the situation is so disastrous for humanity that God has set an end to it. And this end is approaching, the end of people raging against each other, the end of the war between nations which could never find God's approval because it is a battle for power which is not based on noble motives. People's hatred and heartlessness have given rise to it, yet they learn nothing in this battle, they have become more heartless than ever and their hate has deepened and manages to achieve such disgraceful deeds that they cannot be surpassed. And God will put a stop to this activity in a way that He shall thereby be recognised.... He will send a dreadful tribulation upon humankind which cannot be averted by their own will. He will terrify them and let them feel their own impotence because the elements of nature will be unleashed, leaving people defenceless and at their mercy.

And this day will not be long in coming. It will arrive so suddenly and unexpectedly that it will cause sheer horror, it will only take hours and yet be of such drastic significance that everything will have changed afterwards and people will only gradually become aware of the disaster when they have realised the full extent of the divine intervention. For God wants to reveal Himself with His intervention, He wants to show them that He Himself will bring about the end because people cannot find an end, because they would rather tear each other apart than give in and bring the indescribable adversity to a close. And this is why the end will be different from how people imagine it, God will demonstrate His power and remove the weapons from the hands of the earthly rulers, He will decide, and the outcome of the war between the nations will disappoint those people who wanted to achieve with violence what they were not entitled to and who therefore shall recognise their helplessness. For it is God Who ultimately determines world events, even if human will thinks that it directs them. And God's wisdom also recognises the most effective means for people and uses it in order to control the chaos which is the result of heartlessness and therefore has to lead to the downfall if God Himself will not put an end to it.

And the period of war will be followed by a new time of conflict which, however, will not erupt for the sake of worldly power but for spiritual supremacy, because the end is near and this spiritual battle will still have to be fought, the battle which concerns the faith in Jesus Christ, the divine Redeemer and His teaching.... Amen

Intervention by God....

The incomprehensible is about to happen.... God Himself will speak to people in a way which will generate fear and horror. This time will soon be here, for humanity can no longer expect consideration seeing that it is completely devoid of love. It will start the ball rolling itself, it will give rise to the intervention itself, for it constantly violates God's commandments, the commandment of love for God and one's neighbour. And it scrupulously carries out satanic actions which are bound to lead to ruin if God does not intervene and thereby still save souls who find their way to Him in adversity. And this is the sign of the time which God proclaimed long in advance, that the end of the preceding bitterly fierce battle will be determined by God because He wants to reveal Himself and His power. He Himself will terminate the conflict, yet differently than people expect.... Through His intervention, which consequently is of decisive importance for the whole world, He will steer worldly events in a different direction. People will have to realise that they are powerless and that a higher Power conducts global affairs. And they will have to bow to this Power.... The adversity, which human will had already made almost unbearable for many people, will be severe; yet then they will have to struggle with tribulations sent to them by God Himself and cannot revolt against them because they cannot hold anyone responsible for it.

Yet people's conduct prior to this cannot be called human anymore, and thus God will reveal His might to them.... Where people previously wanted to demonstrate their power and brutally proceeded against their fellow human beings, that is where God will show Himself in His actions, and compared to Him all are weak and defenceless and their shameful rage will fall back onto those who mercilessly only want to cause destruction simply because they feel powerful. No-one can possibly imagine the ensuing chaos once people's unbridled feelings of hatred and vengeance break through, and this destructive will signifies the disintegration of that which God the Lord created before it has reached its goal. People of the present time are typified by their constant will of destruction which is a sign that they are enslaved by the power which tries to obliterate everything in order to prevent the souls from drawing closer to God. People are not aware that the violent destruction of created things, be they human, animal or solid matter, has terrible consequences, how the immature spiritual substances within rage and wreak havoc and what turmoil this signifies in the spiritual kingdom. They pester and detrimentally affect people's souls and even the believers feel their influence and become disheartened and discouraged. A mighty will must therefore put an end to it for the sake of the spiritual beings which endeavour to approach God and are supposed to be diverted by God's adversary through his compliant servants on earth.

And this is why God's voice will resound immediately after the implementation of a plan which will exceed every atrocity ever devised by people. There is only a little time left, first a horrifying event has to take place for the whole world to pay attention to in order to hear God's voice even more clearly. Many victims will yet have to fall prey, i.e., they will have to sacrifice their lives for a dishonest cause so that those people in need of coming to their senses will pay heed, for they all contribute towards the chaos and thus are also partly to blame if they don't realise the injustice and stop supporting it. The divine voice always and forever admonishes and warns, it points out wrong-doing to everyone yet it also demands to be heeded or else it will resound with a voice of thunder to everyone's horror and pass judgment according to law and justice.

For the blame rests with everyone and only those can be acquitted who detest humanity's behaviour and want to belong to God, for they recognise the injustice and fear and know that the wrath of God will strike the evil-doers.... And the hour will come suddenly and unexpectedly, for it is the last great blessing before the end, so that anyone will still be converted who doesn't live carelessly and recognises God in the natural disaster, which is inevitable in accordance with God's will.... Amen

God's powerful voice... The end of the battle....

God's voice will resound impressively and decide the fate of the nations, for God Himself will pass judgment through the forces of nature. And no-one will be able to oppose His verdict, for it will be fair and strike the people who are responsible for having caused great misery and don't want to admit their transgression. It will be an exceptionally sad event in which countless people will lose their lives, yet the event is unavoidable because people can no longer be shaken by anything that is accomplished by human will, consequently they will have to be disturbed by an event which cannot be averted or stopped by human will and which will generate enormous terror because everyone will be faced by death and has to brace himself for his demise. And this event draws ever closer, day after day passes by but humanity will not change, and God's forbearance still hesitates in order to continue granting people the opportunity of turning back before His voice resounds. Yet then worldly events will slowly come to an end because the natural disaster is in the making, because the earth's interior will be plunged into a state of turmoil and will only be waiting for God to liberate the forces of nature and allow them free reign. For people cannot stop, thus God intervenes and puts an end to it.

Appalling activities will come to a halt but the consequences will be much worse, for people will experience dreadful adversity and be at a total loss in the face of the unleashed forces of nature. They can neither escape nor impede or lessen their raging, they are at their mercy and only have one Saviour to Whom they can entrust themselves in their urgent need, to Whom they can call for help and Who has the power to help them....

B.D. 1473, 15.6.1940

The raging elements of nature....

The magnitude of the Almighty will become apparent at a time when the elements of nature rage and cause indescribable damage. Then the hour will have come when people's spiritual decline becomes visible for nothing will remind them of God, nothing will move them to pray, for they will have lost their belief in a God and thus will not call upon Him in their need. Hence humanity cannot stay on earth any longer, for it fails to consider its actual purpose of earthly life and only contributes towards destroying the faith of the few people who are not yet entirely estranged from God, causing them to abandon God as well. God's love, however, will prevent the latter from being harmed and will therefore forcibly terminate the lives of those who threaten to endanger the souls.

And there will be great distress when the raging of the elements begins. It will be like a storm which threatens to destroy everything; people will be unable to defend themselves against it for they are like fragile stalks which get bent by the gales.... They will want to flee yet be unable to escape the elements, without God's help their resistance will be too feeble, yet a heartfelt call to God will restrain the power of the elements, and anyone who entrusts himself to God in his peril will be saved. But God will be very close to you during this disaster, He will affect everyone's thoughts and for the last time offer you His hand so that you may take hold of it and let yourselves be saved.... Yet He cannot force your will, you must voluntarily acknowledge Him and desire His help. There is no other way to lead humanity out of spiritual darkness into the light other than through an event caused by natural forces which create such turmoil in people that no one can escape it. Confronted by these natural elements they will have to recognise their helplessness; they will have to lose all other help so that they realise the end of their physical life, only then will there be a slight prospect that they will remember the Lord Who is entitled to all power and Who controls heaven and earth.

God's living creations separated themselves from Him and have remained separate from God for an infinitely long time, yet a moment of extreme crisis and danger can bridge this separation. The soul can return to God, and as a result will even thank God for the indescribable suffering which brought it to its senses. Yet this moment when the soul directs its will towards God cannot be forcibly induced by God in spite of greatest love. God's love has tried everything to bring salvation to the souls and point them to the path of ascent. Yet people's will was strong and God cannot break this will but only affect the human being such that he changes his will himself and turns it towards God. This natural event is thus the final attempt to influence the human will in the most favourable way. But this natural event will also be so powerful that His Own will need great strength in order to remain firm in faith; and everyone who pleadingly sends his thoughts up to God will also be given this strength, for the Father knows the adversity of His children and will lovingly support them if they are in danger of wavering. For His kingdom on earth shall remain, and extensive work will have to be carried out in order to proclaim the divine kingdom to those who had found God and desire His Word. And this is the time the Lord is thinking of by making His Word accessible to people already.... the seed shall fall unto good ground and yield rich fruit on the field which the Lord first wants to purge from all weeds.... Amen

...Yet only a few acknowledge Him, only a few feel that they are guilty and humbly await His judgment in recognition of their sinfulness. And these few will also be taken care of by God in the hours of destruction, which are sent by divine will because there is no other way of removing the spiritual adversity and the earthly hardship is constantly increased by human will. And because people will not put an end to it God will determine the end of a battle which affects the whole world. And a cry of horror will resound across earth which will paralyse people, for the magnitude of the catastrophe will make everyone pay heed and tremble in fear of a repetition. It is God's intention that the whole of humanity shall take part in it, that it shall listen to His judgment, that it shall recognise those who are guilty and God's righteousness. For every fighting party still believes itself to be in the right, only power is being valued and not the law, and God's

blessing cannot rest on actions which are detestable because they oppose the divine commandment of love.... And God will punish people in the same way as they act themselves.... except that His work of destruction will be far more powerful so that they will thereby recognise Him. For even the still constrained spirits express outrage at being torn out of divine order and experience this state as painful, for although they were released through human will they are unable to enjoy their freedom since it is not the freedom of perfection, instead the spiritual substances will be deprived of the opportunity to be active and are incensed about it.

And they will work wherever the opportunity presents itself. But above all they will join other still constrained spirits and try to persuade them to also burst their shell and will help them with it. Thereby they want to force people into becoming constructively active again and provide them with the opportunity to enter new creations in order to continue their process of development. And God will not stop the spirits which will be released through human will; He will also give His consent when matter moves within the earth's interior, when the spiritual substances strive towards the light and try to burst their forms. God will briefly withdraw His will and give the spirits' will free reign which, however, due to their complete immaturity will mean a work of destruction on an enormous scale. And thus human resolve will be confronted by another will which is stronger than the former, which seemingly lacks all divine love and wisdom and finds God's full approval.... Yet humanity will not bow down to God, it will not stop its battle of annihilation, it is possessed by demons and allows itself to be driven by them, it is more and more enslaved by the evil power and proves this by its works and actions. And in order to put a stop to this decline, God's will and omnipotence steps into obvious action. He will shake the earth and with it the human race so that it may come to its senses and change. For it is the last time which can still be used for the souls. And this is why God's voice will resound powerfully, and He calls to people: Stop your raging which drags your souls into ruin; change your ways before it is too late and remember the One Who rules over heaven and earth, Who is your Creator and Provider and Whose love you trample under your feet.... Consider your end, for it is soon about to happen.... Amen

End of the battle.... Spatial separation....

You will be informed of everything that is beneficial for you if you let yourselves be taught by Me and thus pay heed to My voice which gently yet perceptibly speaks to you within yourselves.... Your opinion about the forthcoming sequence of world events is extraordinarily misguided if you believe that one of the opposing powers will emerge victoriously from the struggle, for My will has decided otherwise, given that not the physical well-being but the salvation of souls shall be promoted and this necessitates a complete change of their lives which can only take place once all earthly plans have become null and void and humanity is faced by an extraordinary event which will shock their way of thinking. A normal conclusion to the struggle between nations would not entail a change in their usual life, besides, none of the quarrelling powers are innocent and thus none of the powers are legitimately entitled to victory. Hence I will thwart people's plans, irrespective of which outcome they assume.... I will invalidate everyone's expectations and provide a solution which no-one expects and which is not welcome by anyone either, for I will end the battle such that it cannot be continued even if people were willing to do so. For I will spatially separate the fighting parties from each other, I will let natural obstacles arise which cannot so easily be overcome. And thus I will deprive people of every possibility to continue fighting each other.

And so the battle of the nations against each other will be brought to a halt, it will not be a decision, it will not be the defeat of one power but humanity will realise that its power has reached its limit and that the divine Power has to be acknowledged, which is only too distinctly recognisable in this outcome. I will bring about the end and yet severely punish the guilty parties in doing so, for they will realise that they were misled in their certainty of victory, they find themselves weakened and unsuccessful and are confronted by great misery and immense poverty. And this end was announced by Me a long time ago, so that the truth of My Word would thereby be demonstrated to you who still doubt it. I will put a stop to it when people's cruelty has reached its peak, so that the world will realise that there is a God in heaven Who punishes the sin which so evidently comes to light.... so that it will realise that it is not people but I Myself who determines the outcome.... and this in a different way than people expect. And the hour is not far away.... Hence I reveal Myself to those who believe in My intervention and know My intention, whom I instruct to draw people's attention to it and whom I send as prophets amongst humanity. For it shall be warned in advance because I will never let such an event come upon people without informing them of it, so that they will sincerely consider their souls' and prepare themselves. For no-one knows who will be affected.... My intervention will claim countless victims wherever it happens.... Amen

God's intervention....

My will shall defeat human will, My intervention shall prevent people's intentions, and before long every power shall be weakened in as much as by itself it is helpless against My will.... For I will show the world that it cannot exclude Me and that I will redirect earthly affairs when human beings are no longer able to do so themselves. I allow events to run their course until it is clearly apparent which power wants to assert itself on earth, but then I won't hesitate any longer and disable this power, if only temporarily, so that the time shall be fulfilled. I will visibly appear before the end, i.e. I will once more approach all human beings as overwhelming Power which only expresses itself destructively because nothing else but fear can persuade people to call upon Me.... the fear of death from which they cannot be saved without My help. There is no other way to turn their thoughts towards Me. And earthly power will disappear into thin air; it is equally incapable of resisting the forces of nature through which I will speak. A sudden change will occur, all human considerations will become invalid, new problems will have to be solved, new difficulties will appear and much strength will be needed yet again to master the new situation.... And this is My will.

I have compassion for humanity which, in spite of the most severe hardship, cannot find its way to Me, which only takes notice of world events and does not detect therein the effect of its deluded reasoning and extreme distance from God.... which believes that all fault and origin of adversity rests in human will but not in their own spiritual poverty, which is the cause and which every human being should aim to resolve. And thus I will confront people with My will to make them realise that they are also at the mercy of another Power so that they will approach this Power for help.... that they will acknowledge Me.... because only then will I be able to help them. People are in urgent need of help, yet they close themselves to the strength they require. And to make them receptive of this strength I will allow severe suffering to happen. In just a short time you will hear Me, and the truth of My Word will be proven to you and blessed are those who believe before I provide them with proof, blessed are those who prepare themselves and constantly draw their strength from Me, for they need not fear the hardship, nor will they be harmed by the forces of nature, because this is My will.... Amen

Period of grace until the divine intervention....

It will still take a little while before God will visibly manifest Himself, before the cycle is completed, before the hour has come when the extent of human atrocities has gone too far. Yet it will not be a long period of time, you humans are given only a very brief period of grace in order to distance yourselves from those behaving disgracefully before God because they violate their fellow human being in a most ruthless way.... However, God allows it to come to the worst so that people will still learn to recognise which way they are heading.... For only this realisation will motivate them to change. Every day is important as for many people it is the last one, it can be decisive for the whole of eternity, but many others will only have a few days left until their temporal end has come, and this is why God still hesitates although the event is inevitable and His plan has been determined from the beginning. However, people's low level gave rise to it much sooner, their heartlessness made the day overdue before its time, so that every day is a gift of grace by God bestowed upon humanity by His forbearance and mercy. And thus every day can still be utilised and offers many people the opportunity to change, if only they are of good will. Therefore they are constantly informed of the divine intervention, both through His Word as well as through people's exchange of ideas who are mentally advised from above about the forthcoming event. Everyone can form an opinion about that which is imparted to him, everyone can think about the events in the world as well as the end of it, and the thought of a supernatural intervention in world events will not just occur to a few, and then a person will still be able to hold himself to account regarding his attitude towards good and evil.

Every human being will be warned, directly and indirectly, and if he heeds the warning he will be able to derive benefit for his soul. For then he will also recognise the divine intervention as such, he will learn to believe and be saved, even if he loses his earthly life. And because God still wants to open people's ears for His call He will not sound His voice prematurely.... Yet the designated period of time cannot be exceeded according to divine order.... And people should assume that every day is the announced one when He reveals Himself and His Power. For what He has proclaimed will happen without fail, God merely keeps the time concealed. Yet the day will come like a thief in the night.... unexpectedly and causing a large amount of material damage.... And only someone whose heart no longer clings to earthly goods, who has united himself with God and knows himself always and forever protected by Him will not be fearful. These, however, are instructed by Him to constantly refer people to the fact that He will manifest Himself, and to admonish them to choose the right path which leads to Him, so that they, too, will take refuge in Him in the hour of affliction and find protection and help in Him.... Amen

*Extent of the work of destruction... Total change of living conditions... Divine purpose:
Detachment from the material possessions and awakening of Love in people...*

B.D. 2388a

Forthcoming event.... God's intervention.... Time of adversity....

The nations will rage against each other without mercy and inflict the greatest possible damage on themselves. People will be gravely affected by this and suffering and grief will be their constant companions. People's heartlessness is immense and will even keep growing, and thus they will draw divine intervention ever closer to themselves. There is not much time left before it comes to pass what God has revealed to people through his spirit, and yet, people will be taken by surprise, for in their unbelief they don't believe that they will be affected by it themselves. They don't believe that their spiritual hardship is such that it will necessitate this intervention and that the time for it has come. For they don't try to understand each other, everyone just wants to achieve his own advantage and harm his fellow human being. And this is the beginning of an unimaginably meagre time.... Ideals will be lost which can never be replaced again.... The time has come of which the Lord has spoken on earth, and the said intervention will result in such appalling suffering that people will believe they are incapable of enduring this forthcoming time.

And yet, no-one will be able to escape but, in fear of their life, everyone will hear Gods voice speaking loudly and clearly to humanity. The extent of the destruction will make many people equally poor, great demands will be made on people's love, for only active neighbourly love will be able to handle this misery while raising the spiritual low at the same time. For a loving person will not leave his fellow human being without help and this activity of love will lead to spiritual growth. Every day until then shall be valued, and there will not be many more of them.... The day will come surprisingly soon which will signify a major change in many ways.... And despite their inner upheaval only devout people will remain calm and recognise the real state of affairs. And in their awareness of humanity's spiritual hardship they will try to also lead their fellow human beings to have faith. For the event will happen for the sake of their souls, and if a person then cares for his soul God's intervention will also have borne fruit. Yet again, there will only be a few, for their spiritual blindness will prevent people from realising....

Forthcoming event.... God's intervention.... Time of adversity....

Only a few people will derive benefit for their souls from this event which will repeat itself three times in short intervals. It will deprive people of their thinking ability for it will be so huge that all considerations will fall by the wayside and everything will turn into chaotic confusion. Only His children will be manifestly protected by the Lord, for He will later need them to work for Him. Those who trustfully pray to Him in advance for strength and support will also receive strength and support from Him if they require it. And even if it looks as if everything is lost.... He will direct all events and will know why He allows such a disaster to befall humanity, and He will also put a stop to it when the time is right. The strength of faith shall demonstrate itself in the aftermath. For this event will signify to the devout a confirmation of the divine Word, and then they will support the faith with utter assurance and conviction, and they will be invincible. The less people are burdened by earthly possessions the more receptive they will be for the divine Word, and therefore God will destroy anything that impedes their path of ascent. Afterwards there will be inconceivable misery amongst people, and yet they would be able to lessen it for themselves if they were willing to help each other.

And God will bless all active neighbourly love, and He will help people to endure the earthly hardship. For whatever God takes away He can also replace again if the human being needs it. Yet his heart ought to detach itself therefrom, he should not consider earthly possessions the most important things on earth but realise that they are unimportant and transient and that the bond with God is the only strength and comfort-giving means in order to endure even the greatest suffering. This event has been destined since eternity, it shall, after all, be the last opportunity for salvation for countless people on the wrong path, who only live for earthly things and therefore need to be shaken up in order to seriously reflect on the purpose and goal of earthly life. Yet only a small fraction will derive benefit from it, while the others will re-establish the old living conditions with increased vigour, and they will use any means to acquire earthly possessions again. And this is the time when the new beginning shall be opposed by God's Word, when people will separate into those who will give up everything just to be able to remain loyal to God and those who will reject everything of a spiritual nature and instead desire the world and its possessions with increased longing. And then the forces of light will clearly be fighting against the powers of darkness Amen

Catastrophe....

The approaching bad weather catastrophe is of crucial importance for all people insofar as that it will also change world events, and that people will then be facing other responsibilities and happenings whose effects are no less difficult and distressing. The survivors will have to go through worrying times at first, for they won't know if and when this natural disaster will repeat itself. Also, many people won't know the whereabouts of their loved ones, many will stay behind all alone and forsaken, and sorrow and grief will be everywhere, there will hardly be a house without unhappy people, and in the country where God's voice has spoken there will be no town without ruins. And then love will have to prove itself, and one will have to help bear the suffering of the other if people want to live a life which is at least endurable and not despair altogether. The suffering on earth has taken on different shapes but people cannot be entirely alleviated of it as long as they haven't converted to God and tried to fulfil their spiritual task. And this is why even those who so far have remained untouched by world events will have to be affected. And thus the world conflagration will be followed by an incredibly difficult time which is felt wherever heartlessness is prevalent.

People cannot imagine that a natural disaster of this magnitude is about to happen on earth, and at first its extent will not be recognised either, for it will take a long time before the news of it will have travelled around the world, and this uncertainty worsens the suffering and worry, since all outside contact will have been cut off and will be difficult to re-establish. And the ruling authority will put pressure on people and bring them in to carry out work which will almost go beyond their strength, and they will be unable to defend themselves and live a wretched life without any prospect of improvement. And yet, such suffering is necessary if people are to be lead to their real purpose, that is, to establish contact with God and to appeal to Him for advice and help. And then the Word of God shall be made accessible to them, then they shall be informed of God's activity, of His will and His divine teaching of love, then they shall be referred to life after death, to the transience of all worldly things, to the meaning and purpose of earthly life and their task, which consists of shaping their souls and of living a way of life on earth which corresponds to God's will....

The hour will soon arrive when God will speak to humanity such that it will turn the whole world into turmoil. For one night will bring unspeakable misery to those people whose countries will be affected by this disaster, and the dawning day will be dreadful, for it will present the survivors with a sight of devastation which exceeds all fears and all imagination. Yet God's will is irrevocable, for He knows that human thinking needs to be shaken up, he know the souls' adversity, and in order to help them in their adversity everything will come to pass as it has been predestined since eternity.... Amen

Extent of the work of destruction....

The extent of the act of destruction as a result of God's will is as yet inconceivable to you humans, for it will surpass anything that has ever happened before. Countries and oceans will change, rivers will burst their banks and thus scenes will be created which make people believe that they have been transported into other regions, which in itself will cause indescribable chaos because people will no longer be able to find each other. They will restlessly wander about until strong-minded people try to establish order and take care of the weak. The adversity will be so great that it can only be endured by love, and where one will actively help the other relief and help will soon be felt, which will clearly be granted to them from above. Thus, anyone who turns to God and calls upon Him in his heart will receive help, for God will then so clearly demonstrate His love and omnipotence that those of little faith will find it easy to gain a firm belief, and this time is a time of grace for the unbeliever, when he can still easily change himself in view of the occurrences which are based on the strength of faith. These occurrences will provide food for thought to everyone, yet only someone willing to believe will derive benefit from it, whereas the others will only ever speak of coincidences and face the immense adversity embittered, rejecting a Creator or condemning His actions. The magnitude of the disaster cannot bring them to their senses, they will try to find a natural explanation for everything and entirely reject spiritual correlations. They also remain hard and insensitive towards their fellow human beings' experiences and won't shy away from improving their own situation at the expense of people who are too weak to defend themselves.

There will be hardship wherever God has spoken and He will speak wherever the spiritual adversity is greatest, so that the survivors will receive a warning signal which will enable them to utilise the time until the end, and to also bring the people of the unaffected countries to their senses in view of the disaster which is too immense to be ignored. For the whole of humanity will be gripped by fear that the natural disaster might repeat itself and result in complete destruction of the earth. This will in fact happen but not immediately after the natural disaster. All the same, this fear is beneficial for many people since the thought of a sudden end and a life after death will come alive in many of them and can result in a change of lifestyle. The world will helpfully want to intervene yet won't be able to help as much as is needed. Nevertheless, every human being who is willing to love and help will be blessed by God, for the immense adversity will come upon people so that they will soften their hearts and do justice to their actual task of being lovingly active on earth in order to attain psychological maturity. As long as people only provide for themselves they are selfish and won't progress spiritually. But their fellow human beings' hardship can awaken their kind-hearted activity, and then they will comply with God's will and thus their earthly task.... And then even the most severe hardship will be a blessing and will fulfil its purpose.... Amen

Most basic way of life in the coming time.... The individual person's fate....

The coming time will bring a tremendous change of the existing living conditions and people will be forced to lead a completely different life in the midst of disorder and dreadful chaos, for the forthcoming natural disaster will cause immense destruction and it will take a long time until the former order can be restored again. Every person will have to content himself with a most basic way of life, he will be unable to lay any kind of claim to a comfortable life and be exposed to deprivations and tribulations which seem almost unbearable to him. And yet he will often ask himself the question of why he is subjected to this aggravated life and be unable to give any other answer than that the state of his soul needs this test. And if he comes to this conclusion by himself he will also try to adapt to the aggravated living conditions and as compensation envisage an easier life in the beyond, in which case it will also become more bearable on earth, for he should come to the realisation that everything that befalls people corresponds to God's eternal counsel. And then he will also have a compassionate heart for his fellow human being, he will help wherever it is feasible and those who believe in God and are striving towards Him will mutually ease the adversity. For love dwells within them and this helps to endure and overcome everything because it provides the human being with strength from God, Who is love Itself. The human being's attitude towards their neighbours' hardship will determine how long he has to live in poverty and difficult living conditions on earth himself.... He can improve these by being willing to help his neighbour, for then God will also provide him with the opportunity to put his will into action by giving to him what he needs himself so that he can also share it with those who, like him, live in most wretched conditions and thus lead a tough existence.

The individual person's intelligence will not be decisive since it will not be able to accomplish much because all previous living conditions will have changed and only utmost patience and a willingness to make sacrifices will make life bearable amongst each other. For it depends on this which kind of fate God will bestow upon the individual to endure. God Himself is love, and this love does not want people's suffering but their happiness; except that this happiness cannot be granted to them as long as they themselves do not recognise that God is love. However, in order to learn to recognise Him a heart has to become loving, and love generally awakens through great adversity and distress. And thus God has to send those upon humanity in order to fan the spark of love in every person's heart, and depending how he will then prove himself he will also be considered on the part of the eternal Deity. And so he can very quickly prepare a tolerable life for himself again if he also does everything on his part to ease his fellow human beings' adversity. And he will truly be offered enough opportunity to let his heart speak.... He will be able to be lovingly active in many different ways.... Spiritually as well as earthly demands will be made on him which he only needs to fulfil in order to also reduce his own hardship and make his life more bearable.... Amen

The catastrophe and its consequences.... Neighbourly love....

You will all return to a very primitive state of living, for only this will make it possible to motivate you into helpful neighbourly love, which alone can redeem you. Then all people will have the opportunity to be lovingly active although it depends on free will to what extent the opportunity will be utilised. And thus humanity will very quickly want to improve their living conditions again and this, depending on every individual person's will, by just or unjust means, for only few will want to be of service while the majority will want to be served and at the expense of their fellow human beings attain prosperity again, if only for a short period of time, for the end will follow soon.... However, whatever precedes the end has been determined for eternity.... A partial destruction on an inconceivable scale will affect large stretches of land and claim countless human lives. These people, therefore, will have met their end, yet their death will still result in their souls' entry into the kingdom of the beyond. The last hour for this world has not yet arrived when the gates into the spiritual kingdom will also be closed. The survivors, however, will still be granted a last reprieve, an extremely difficult earthly life which can nevertheless be called a time of grace as it still enables many people of good will to gain higher maturity. The huge event should make all people thoughtful and let them seek unity with God, but only a few will derive benefit for their soul by commending themselves to their Creator and Father of eternity and appeal to Him for mercy and help.

And they will indeed be helped. For there will be great and widespread hardship so that outside help cannot be expected. People can only help each other, and in their neighbourly love they will be strongly supported from above, they will be able to accomplish works which are in fact beyond their strength. Yet the will to help will gain them an extraordinary flow of strength, the will to help will also have beneficial consequences on them, so that the helpful person will receive spiritually and physically what he would like to pass on and thus his own adversity will be remedied too. The strength of faith and of love will clearly become evident and every human being can ease his fate by considering his neighbour and not just his own hardship. This great adversity comes upon you in order to revive love, for only love can redeem you and it grows constantly colder the closer it gets to the end. And anyone who is still able and willing to love will not be depressed by the hardship but will overcome it himself by virtue of his love for his neighbour. Even so, there will be much suffering everywhere. People will be torn apart, they will no longer hear from each other and everyone will then have the opportunity of using all his strength to alleviate the difficult situation in his surrounding area. And the human being can achieve much if only he calls upon God for support and desires help for other people. But anyone who takes advantage of his fellow human being and tries to benefit from his adversity will in the end belong to those who will be devoured by the earth on the last day.... he will belong to those who will be condemned, because they had become true devils and will have to share the fate of the one who will be chained up and banished into the new earth for an infinitely long period of time again.... Amen

'There shall not be left one stone upon another....' Great adversity....

A time will come when everything that was laboriously acquired and built up shall be lost; a time will come when people will realise that everything which was intended to provide them with physical prosperity is worthless and they will be completely destitute, because they lack spiritual wealth whose possession lets people get over the loss of earthly goods. I constantly draw your attention to this time for it will come to pass as it is proclaimed in Word and Scripture.... not one stone will be left upon another.... The fact that such a dreadful work of destruction shall take place as an act of God might sound incomprehensible to worldly-minded people, nevertheless it is inevitable, firstly, because it is intended to have an educational purpose and then it is also designated in the eternal plan of Salvation to enable the spiritual substances at a lower stage of development to attain other forms. It is necessary for people to be extraordinarily severely affected for they pay almost no attention to their spiritual development anymore and shall be given final encouragements, although they can also ignore them if they are unwilling to change and to ascend. They can only be treated even more harshly for they are no longer open to gentle admonitions and everything which hitherto was inflicted upon humanity for this purpose remains unsuccessful. However, the forthcoming time will involve a drastic change, so that people's thoughts will automatically turn to the meaning and purpose of earthly life and nevertheless cause a change in a few people, which will be truly beneficial for them...

B.D. 2811, 12.7.1943

The raging of natural forces.... Total changes of living conditions....

It is impossible to make people believe that their earthly life will completely change during the forthcoming time. They count on an end to their time of suffering, followed by economic development and flourishing and improved living conditions, and on a time of tranquillity and peace which will replace the time of upheavals and suffering. They don't want to believe that a far more difficult time is still ahead of them, that they cannot expect any improvement but will still have to endure indescribable suffering and misery. And they dismiss any reference to this as fallacy or imagination. It is therefore very difficult to make them change their lifestyle, to encourage them to conduct themselves in a way which is pleasing to God and to consciously work at improving their souls. For only faith in this would make them seriously strive to attain God's pleasure. Instead, they take no notice of it and ignore God's every admonition, although He speaks to them through adversity and sorrow. This lack of belief exacerbates the spiritual darkness; there is no way to enlighten them because the light itself will be extinguished if it is kindled in order to illuminate them.... God Himself takes pity upon these people and tries to enlighten their spirits, but they close themselves to it and can never attain the truth. Only the truth can save them, yet they don't want to hear it because it completely contradicts their future plans, because it deprives them of their hope for earthly improvement and an end of their state of suffering and expects of them a transformation of their souls and a change of their present way of thinking. They don't want to believe, consequently, there is no other means to make them believe but through steadily worsening earthly plights.... for only through these will they stop being so extremely earthly minded. And this increased earthly suffering will come about through an event which will dwarf everything which came before it, because people will be left at the mercy of the raging of natural forces which human will cannot control. For only when they recognise a higher Power will they bow down to this Authority and humbly ask for help. Thousands of people will certainly be severely affected and the suffering should be enough to make them realise their own helplessness and prompt them to sincerely call upon God for help....

However, for as long as people are the creators of great adversity it will result in increased hatred and often greater ungodliness, because in their immense adversity they are no longer able to recognise the God of love. But as soon as they are faced by a Power Which they will have to acknowledge because It visibly expresses Itself, the possibility also exists that they will bow down to this Power and appeal to It for mercy. Then God can helpfully intervene. Although it is indeed an extremely painful means of education, it must nevertheless be used if at least a small part of humanity is still to be saved, that is, if in the last hour they will still recognise God in the raging of natural forces and establish contact with Him, without which there will be no salvation. And thus the most powerful event lies ahead of humanity, which it will be unable to escape but which cannot be averted by God because humanity does not heed His admonitions and warnings nor does it change its conduct, but continues to go on living thoughtlessly without paying attention to Him. The slightest God-inclined will would prevent this event from happening and prompt God to show mercy and forbearance, yet people distance themselves increasingly further from God and act in opposition to His will. And since God foresaw this will from the very beginning He has also known for an infinitely long time the effect of people's wrong will and uses the final means in order to win those people over for Himself who are as yet not entirely opposed to Him.... He will make the Earth tremble and thereby instil fear and terror in people.... He will speak to them through the elements of nature, He will let the forces of nature erupt and express Himself loudly and clearly through these.... And this event will entail immense changes; it will cause a complete turnaround in every individual person's lifestyle, and the consequences of the natural disaster will be so very significant that everyone will have to pay attention to it, thus no-one will remain unaffected by it. And blessed is he who will still change his thoughts; blessed is he who will still be able to recognise the hand of God in everything that will still be imposed on humanity in the coming time; blessed is he who will still find his way back to God, who strives to fulfil His will and establishes the right relationship with Him.... He will be helped by God in his adversity and the difficult time will not be in vain for him if it pulls his soul back from the abyss before it is too late.... Amen

....The adversity will be so severe that it will awaken the willingness to help in those who still have a spark of love in their heart, and this spark will find nourishment and grow into a flame, for anyone who only wants to help will also actively help and ease his neighbour's difficult fate, because he knows himself how much distress every individual person's fate is causing. And those who are willing to help will also be helped by Me, they will receive help as a sign of

a higher Power where no way out can be found anymore, Which lovingly draws up close to people to reveal Itself to them. For earthly help often seems impossible but that which is impossible for people can still be accomplished by Me, and thus even the greatest adversity is not hopeless because nothing is impossible for Me. And thus the love which is given to one's neighbour will bring forth good fruit, it will gain My love, and this signifies help and grace and an exceptional flow of strength, on account of which My Own need not lose heart, for they will not feel the adversity so much because they will be full of strength and always have Me by their side as a Helper Who, for the sake of their faith, will work evidently in order to still gain the few before the end who are weak in faith but nevertheless of good will.... They will receive strength and survive that time of need without damage to their soul. My Own, however, will be protected by Me and can anticipate this time without worry, for it will not last long.... Amen

The extent of the natural disaster before the end....

You should all prepare yourselves for the end, so that you will at least be able to enter the kingdom of the beyond with a small glimmer of realisation. Only a short time will pass but this fully suffices if you have the good will to achieve your transformation into love. You will have ample opportunity for this as soon as My intervention has taken place.... as soon as you are afflicted by a natural disaster which dwarfs all previous events. You cannot possibly imagine what will happen and yet, you should believe that My voice will resound most powerfully with which I shall speak to you humans just once more before the final end arrives...

B.D. 4940, 21.7.1950

Prediction of the natural disaster.... Dead stretches of land....

The last end will be preceded by an enormous event which is bound to make all people think who survive it. It will be an indication of the end, a small scale destruction compared to the final work of destruction of this earth, yet of such an extent as never experienced by humanity since the earth came into existence. It is a natural happening which will throw all affected people or those who hear about it into turmoil, for the consequences of the incident are too vast as to go unnoticed. So-called dead stretches of land will form which exhibit no life whatsoever because the vapours of the earth smother all life in these areas. An obvious influence by natural forces will be recognisable so that this phenomenon cannot be traced back to human activity because I want to reveal Myself through this happening in order to make the near end credible to people, which seers and prophets are constantly proclaiming on My instructions. People are faced by renewed suffering and yet cannot be spared this suffering as long as they still pay tribute to the world and only take notice of Me in passing. They must look for Me so that I can let Myself be found, which can only be accomplished by an event which can no longer be explained with people's activity. They must sense that a higher power is behind it and entrust themselves to this power in their earthly adversity. But in order to do so they must also be at the mercy of this power in order to take refuge in it of their own accord. They must physically be without help in order to noticeably feel the help from above....

And for this reason a violent storm will arise which will uproot and lift everything off the ground; the earth will split open and from above and below people will find themselves at the mercy of the elements which they will be unable to fight as they will not have enough strength; an unbearable heat will, in fact, have already rendered people incapable and lethargic beforehand and so they will watch the first signs in nature without interest until they recognise their grim situation and then they will almost brutally fight for their life which they fear to lose. And I will help all those in their adversity who are of good will; I will provide them with realisation so that they can recognise **My** reign and activity in all happenings and as a result of this insight also instruct their fellow human beings and encourage them to turn to Me, and they will preach to them about My love, wisdom and omnipotence so that they will call upon Me when they are in danger. I want to be their Leader, and those who believe in Me and want to serve Me shall be saved during all hardship of the last days before the end. For shortly after this event follows the destruction of the old earth, as it is written. Yet people shall not experience this destruction unprepared, hence I will cast a shadow beforehand.... a final indication which should be given credence, so that people will not walk into eternal ruin, so that they will be able to save themselves if only they use their will correctly.... Amen

...It will mean a terrible experience for all of you.... only My Own will not be affected as much because their faith is so strong that they entrust themselves to Me completely and therefore will also always receive the help they expect. And then every person will have the opportunity to practise unselfish love in order to still achieve full maturity, for there will be very much hardship and everyone will be able to help, if only with comforting words of encouragement which refer people to a God of love Who only requires a trusting prayer to Him in order to be able to visibly demonstrate His help to them. For whatever you can still give to a person in a spiritual sense will help his soul and save him from the dreadful fate of a new banishment. But you will also be able to help them in an earthly way, for the resolve to help will also place you into a state of being able to help, for where human will is unable to help I still have countless helpers at My disposal who will look after you in remarkable ways. I only require firm faith from you, and you will have this when you realise that everything I predicted is coming to pass and when you therefore hand yourselves over body and soul and only want to work for Me and My kingdom.

And this time should be used well by you, you should constantly practise love which again and again will give you strength, you should only ever think of your souls, because you don't know for how long you will still be allowed to live on earth, since the time left to you can only be limited, especially if you cannot attain the strength of faith which enables you to endure until the end. In that case My mercy will be greater if I call you away from this world ahead of time.... if you can still enter the kingdom of the beyond where it will yet be possible for you to progress but where you will not be at risk of descending into the abyss again in the end.... for I fight for every soul and know its will, and thus I also know where there is still a possibility of salvation, and I will certainly make use of this.... only one thing I cannot do, I cannot **forcibly** release you from My adversary's hands.... For he has the same right over you because you once followed him of your own free will. And thus I can only ever just help those of you who **want** to release yourselves from his control. And I will truly do so by every means, for alone the fact that you are being informed of the approaching immense adversity.... that you can increase your strength through prayer if you believe in it.... is a very significant help. For you all are capable of uniting yourselves with Me in prayer, of appealing to your Father that He should grant you the mercy of not becoming quite as badly affected by this natural event, which is at all times in My

power. And every such prayer sent to Me in spirit and in truth will be granted by Me, this is why not all people will be equally affected, and My will shall visibly express itself and also strengthen the faith of those who were still doubtful.... Yet even those who don't believe will begin to wonder, their hatred towards the believers will increase and subsequently degenerate into hostility, which My Own will also have to suffer. Nevertheless, they have My guaranteed protection, because as long as they work for Me and My kingdom I will also know how to guide their steps so that they will not remain unsuccessful, and the souls which received help from them in their spiritual and earthly adversity will be very thankful to them.... Amen

How to attain it... Instructions in relation to spreading of the God's Word...*

Most difficult conditions of life after the disaster....

In the foreseeable future you will live in different circumstances and have to change your way of life completely if you want to meet the requirements of the new, very difficult conditions and be able to endure them. This change is unavoidable because the last days are entering into their final phase, which is tantamount to a most difficult struggle for existence in order to achieve the fastest spiritual advancement. Because the end is near and what this huge earthly hardship cannot achieve now cannot be achieved afterwards on this earth either. But anyone whose life is spared following My last forceful intervention can, with good will, also adjust spiritually, he can associate all events with the eternal Creator's will and derive the greatest benefit for his soul from his attitude. Only entirely unbelieving people shall reject this correlation and try to master their earthly life with their own strength yet using their willpower wrongly, not in accordance with divine will. And they will succeed because they are supported by the God-opposing power.

However, the believers can also overcome the most difficult conditions with God's strength, which they themselves can, in fact, feel but which does not express itself in an externally noticeable manner, in that the human being is surrounded by earthly possessions. Instead of this he will find inner strength to endure even the most difficult circumstances in life. Earthly hardship will be immense and not be easily rectified by normal means because the vast destruction, by divine will, will naturally result in massive chaos and make excessive demands on everyone's strength. And then every individual will have to draw on God's strength if he wants to survive the worst time. But this is at his disposal in abundance. And, therefore, God always instructs His servants to point to the forthcoming events, to inform people of the approaching disaster so that they can contact the strength-giving power in advance, Which excludes no one who desires strength. Human beings are not yet able to imagine such intervention by God and thus dismiss what they find difficult to believe in. And yet they should mentally consider it so that they won't face the event entirely unprepared when the day arrives. Because it will irrevocably come and surprise everyone including the believers, and it will result in enormous changes.... And blessed is he who changes his thought, who corrects his attitude towards God, who finds his way to Him in times of greatest need.... Because that day shall be a blessing for him.... Amen

Announcement of the approaching immense adversity....

You will all require much strength but it will always be at your disposal, for anyone who merely listens to My Word will receive it as soon as he ponders this Word in his heart and acts accordingly. Then you will be addressed by Me Myself and also be illuminated by My love, hence strength must flow to you because My love is also strength.... But anyone who lets My Words fall on deaf ears will not benefit from them, for I cannot enter into contact with him and thus My strength cannot flow through him either. During the forthcoming time of adversity you will all need strength from Me.... for you will be not be able to cope with your circumstances in an earthly way; only with My help will you succeed. I want you to recognise your own power and weakness. It is My will that you shall become aware of yourselves as weak beings so that you will take refuge in the Power Which you then must certainly recognise. Then people's disposition will become obvious to you, their frightening lack of faith will come to light and the necessity to speak to people about Me and My kingdom, about My power and love for humanity, to proclaim the Gospel to them and to lead them to faith. Even during this time of adversity there will be vigorous disputes, the fighting will have to be done with the sword of the mouth because many of those of little faith will doubt a God and Father even more since it will seem incomprehensible to them that the disaster having befallen people should be the work of a loving God. For all people still value their earthly life as human beings too highly, and to explain to them the meaning and purpose of their life on earth and to talk about life after death is the essential task of those who want to work for Me and who will subsequently be faced with a large field of work. As yet people are still walking about in a complacent and indifferent state and don't consider their task on earth. Therefore they must be shaken up in their thinking, for even the countless accidents which claim many victims barely alarm them anymore, thus people can no longer be woken up by any other means than through an event on such a massive scale that it will affect everyone who survives it.

And if I constantly point this out to you then only so that you can prepare yourselves by practising love, by gathering strength, by uniting with Me and being able to receive My strength through the acceptance of My Word.... so that you will not approach this difficult time without being prepared, that you can support your fellow human beings and also proclaim My Word to them. I will remember all those of you who remember Me. And I will not leave any of you without strength who appeal to Me for strength in advance, who appeal to Me for My protection and My help before the event. And the extent to which you, who walk with Me, will be able to endure this will become apparent, even though you will not feel unusually burdened. Time and again I admonish you humans to join Me through kind-hearted activity and heartfelt prayer, and I repeatedly assure you that you will then receive ample strength and need not fear anything, even if you lose everything of an earthly nature, for only I can give you what you need, and I will also always take care of My Own, of those who do not forget Me, who see their Father in Me and, like children, seek refuge in My arms in every adversity and danger.... You, who want to serve Me, will especially feel My presence, because you recognise the truth of My Word and therefore push yourselves ever closer to Me, Whom you now recognise in His power and might, but in Whose love you believe as well and therefore trustingly hand yourselves over to Him. And since I will then need you as fighters for Me and My name, since I will need you to work diligently in My vineyard, I will so obviously support you that you will indeed be able to accomplish your work successfully. Everything will happen as it is intended in My plan of Salvation, because only I know what benefits My living creations.... And so the end has also been irrevocably determined. But this very end will give rise to a final work of mercy prior to it, even though it will seem like an act of cruelty to you. However, it will nevertheless still save some people; it will be used as a final means to show My living creations the path to Me and will not remain entirely unsuccessful. I consider the great spiritual hardship humanity is in and therefore still want to touch every individual soul in order to gain it for Myself, for this reason I must let an immense earthly adversity come upon earth but which can also be overcome with My help.... For My love and power will express itself wherever I Am called upon for help, and those who merely desire it will receive My strength.... Amen

Chaos after the intervention....

I keep telling you time and again that you will experience an incredible chaos due to My intervention.... The forces of nature will get completely out of control leaving you unable to think; only My Own will be able to pray to Me, although these will only be desperate prayers by sending short, pleading thoughts to Me, but I will hear them and protect them from the worst. Yet everything will become disorderly and people will be thrown into bitter states of adversity.... And this will already signify the end for many because they will lose their life although it is not yet the end of this world.

However, before the final end I will still try to rescue what will allow itself to be rescued I want to reveal Myself to those of weak faith so that they will call upon Me in their need and receive obvious help, so that their faith will be strengthened and they will still be helpful to Me when the earth's last phase begins. And I assure you that it will almost be too much for the individual and only One will be able to give you strength and send you help if you call upon this One in dire need....

But you humans cannot be spared this intervention, for it is a last attempt to save the souls who are still without or of little faith. When they see no other way out people can nevertheless still remember their God and Creator.... a Power above them Which alone is able to help. Once the huge natural disaster is over, the adversity will not end and the chaos will constantly increase. And then it will show where there is still a living faith, for this alone will master all adversity....

Anyone with a living faith will completely entrust himself to Me and truly, I will not let his faith be destroyed. Time and again he will be helped, and he will also try to lead his fellow human beings into faith, and depending on their will and personal inclination to help them, too, will receive help, for the desperate situation will motivate actions of love and thus will have fulfilled its purpose of awakening neighbourly love which, again, guarantees that I will give people My love and the strength to deal with their situation.

You, who belong to Me and want to fulfil My will and be of service to Me, truly need not fear this time of adversity, for your constant bond with Me assures you My protection and a great extent of strength. Besides, I will also need you again to spread My Gospel of love, which will then be extremely necessary, for once again people will display their nature and only a few will be helpful and assist their fellow human beings and they, too, will be helped time and again, of which they can be certain.... But, on the whole, ever greater selfish love will surface, and people will ruthlessly take what does not belong to them in order to improve their living conditions.... The aggressive person will prevail and want to ruin the weak. And this will particularly characterise this time of hardship and reveal that humanity is ready for its downfall. Nevertheless, My Own shall always rely on the fact that I know of their difficulties and will also remedy them for, truly, everything is possible for Me, and I will also take care of your earthly lives and provide the most remarkable help so that your faith will become ever more alive, and with the power of faith you will prevail over everything and yet cannot be overcome by your enemies....

You may well believe that this time is approaching; after all, I Am still using all means of help to win over souls who are not yet entirely enslaved by My adversary.... I also want to reveal Myself in My love and power to them as soon as their faith is a **living** one, for conventional faith will be completely abandoned since it is not a convinced faith, which remains steadfast during such earthly hardship. And all those who previously had revelled in an excess of earthly possessions will be bitterly affected by this hardship as the transience of earthly possessions is visibly brought home to them. And the effect depends on their souls' maturity, they will either take refuge with God and appeal to Him for help or try using their own strength to succeed at the expense of their neighbour, because they lack love or they would take the path to Me.

This time of adversity will make great demands on you humans, nevertheless you will survive it with My help.... Therefore ask for it, and also appeal to Me in advance for the strength to be able to endure once the chaos starts. For you will be able to achieve much in unity with Me but you will remain weak and helpless if you rely on your own strength and presume not to need divine help.... For I Myself will be with everyone who calls upon Me in his adversity.... Amen

Reference to events.... Chaos.... Speedy arrival....

Expect My speedy arrival, for there is not much time until the end.... You will shortly experience things which will confirm what My love has made known to you long in advance.... namely, that the final phase before the end has already started. You will wonder why I allow such disasters to happen, why I let such immense adversity come upon humankind and I can only ever give you the answer that it is necessary for those people who have as yet not recognised Me and only ever look upon each event from an earthly point of view but never associate people's spiritual development with it. These are irrevocably the final pangs, and the end will follow soon without fail. Time and again I call your attention to the fact that you should not go through earthly life in a secular-minded way, as it only lasts for a short time and it can still be of greatest significance for you if you consider your purpose and make appropriate use of life. However, you humans are half-hearted and complacent regarding My admonitions and warnings, for you don't believe in My Word. And I can't give you further proof about the truth of My Word, because you must take the right path without influence, you must feel impelled from within to comply with My will, otherwise your souls cannot mature. Yet you can draw visible proof from the forthcoming event, for thereby I will come extraordinarily close to you, revealing Myself to those who know about My gifts of grace and confirming these to them so that they will be able to recognise Me. And those of you who want to be of service to Me should know that you do not have a long lifetime ahead of you and that the mission incumbent upon you allows for no further delay, and that you, for the sake of this mission, should first convince yourselves of the truth of My Word so that you can spread it without inhibition. And thus you will see that everything I have proclaimed to you in Word and Scripture will come true. You will learn to despise the world and examine the spiritual kingdom more thoroughly, for your own advantage, for the transformation of your soul. Countless beings of light are at My disposal, and through these I influence you humans time and again by constantly steering your thoughts to the forthcoming event, by allowing you to go through so much adversity and misery until you yourselves will yearn for the downfall of Earth in order to escape from the harsh pressures inflicted upon you by fellow human beings. Then you will gradually prepare yourselves for the end, for then you will believe in it and make an effort to live on earth to please Me. This time will be followed by incredible chaos, during which you should trustingly expect My help from utmost adversity, for I assured you of this and will not disappoint your faith. And thus these Words of Mine are your best guarantee that no harm will come to you even though you will be put under pressure from all directions. However, you must give your love to Me, and if you love Me you will long for Me, and for that reason I will come to fetch you from the place of perdition into My kingdom, where you will never ever be persecuted again, where only I Am in charge and evil is not allowed to enter. And all hardship will have come to an end for the believers, but for the others the adversity will have just started, as I have proclaimed.... they will be condemned into darkness.... they will be banished on the new Earth into creations which are beyond your imagination until you populate the new Earth yourselves.... Amen
